

Quarterly Report from the Board

AN UPDATE FROM THE GENERAL SERVICE BOARD TO AREA DELEGATES

This is a confidential bulletin, for use only within A.A.

February 2022

Trustees' Message

On the weekend of 19th – 20th February 2022, the respective Trustees' Committees met, the GSB had a meet the CSO's session, and the GSB also held its Board meeting.

The CSO session was well attended with over a dozen CSO's from across the country represented, with more than 30 participants along with the Board. The session was extremely positive with many members saying that it was long overdue and a very good initiative.

Board members gave an overview of how we work together covering various topics including The National Meetings List, National Website, the Online National Bookshop, the Service Website, Public Liability insurance, the National 1300 number. We also discussed the AA finances and the Group Donations Plan; and gave an overview of copyright. We had a 2 hour question and answer session where the Board members fielded various questions from CSO's on a wide variety of topics. Its clear that our CSO's are filled with many dedicated members eager to be running effective CSO's.

One common piece of feedback we received from various CSO's was the closure of around 10-5% of face-to-face meetings over the December / January period just gone. Some groups have just closed down. Hopefully this is not a continuing trend.

Thank you to all who attended and to those unable to attend, it is likely to have a further session sometime in the future.

General Service Conference

Last year's Conference Report was distributed to Conference Members in December and a downloadable version was put up on the Service Website.

The dates for Conference this year are 3rd – 6th November 2022. The date for Conference Topics to be submitted by is 24th June 2022.

Members Survey

We will be launching our membership survey at the National Combined Forum in Brisbane on 25th February 2022 (so by the time you read this it will already be launched and you will be able to participate). From time to time, AA undertakes surveys to find out information about the makeup of our members that assist us in examining how effective we are at carrying the message to the alcoholic that is still suffering.

Please take a couple of minutes to undertake the survey when you get the opportunity.

2022 National Convention

The Convention is less than two months away and the HPC is working tirelessly to bring you a great experience. Now is the time to get behind the Committee and register.

As at the date of printing this newsletter, registrations were under 300 and we need 800 to break even. **So please don't leave it to the last minute** - it needs your support now! Registration details are at: www.aanatcon2022.com.

World Services

Attached to this newsletter is the latest edition of the World Service Committee newsletter.

New World Services Delegate

Hi all to introduce myself, I am Brian F residing now days on the Sunshine Coast Qld, and I am the newly elected first term World Service Delegate for Australia. I attended my first AA meetings in Sydney in 1971 and living in Auburn was always at the Monday night meeting held there. Attending that meeting would be Dr Sylvester Minogue, Frank Sturge Harty and Archie McKinnon so I was amid Australian AA History without a clue about it. I was to have a

“taste of alcohol” at a Vietnam Veterans reunion on 18th August 1985 and that is now my sobriety date. As regards the outcome of the recent election at Conference to say I was surprised would be a vast understatement knowing the AA background of those contesting the election. The outcome has left me feeling very honored and privileged. Now comes the task of fulfilling the role and responsibility placed on me.

A friend recently asked me “Why would you even consider wanting that position”? The following is my why. Over 30 years ago I moved to a coastal town in NSW called Forster located in the AA District of Manning Great Lakes where I was to meet a great AA mentor and friend Tom K (aka “Tom the Finn”). Tom often asked at Service events who was the most important person in the meeting room and we usually gave the standard answer about newcomers, ourselves, the “Older” OSM etc. His answer always was “The person who is not here, and if they are not here, we are not doing our job”. He inspired and showed me how to develop co-operative relationships with the wider Professional Community. I would like to think I may be able to bring some of those ideas to Countries where AA is in its infancy.

Finances

The Profit & Loss as at 31st January 2022 is enclosed on the following page. We would like to thank those members who have and continue to contribute to the 300 Club. If you would like to donate to the 300 Club, please visit www.aa.org.au and click on the ‘members’ section and then on ‘donations’ for more information.

This year there will be a reprint of the Big Book and 12 x12 and we are anticipating a significant rise in freight costs.

2025 – AA Australia’s 80th Anniversary

A small committee has been formed to ask the Fellowship how it/we should celebrate our 80th anniversary in 2025.

The Board has adopted the following statement of purpose: *”In the spirit of unity and in keeping with our primary purpose of carrying the message to all who suffer from alcoholism, we commemorate 80 years of AA in Australia. We will achieve this by a year long program, implementing new literature initiatives, celebrating our fellowship; and carrying the message.”*

We will be setting up an email address where you can send us your thoughts, ideas and opinions as to how we as a Fellowship would like to celebrate and what you can do in your group, district, area to honour this upcoming milestone.

Request from Stepping Stones

Stepping Stones are currently recruiting for a volunteer project where people can volunteer from their home computers with internet connections to help transcribe and categorize Bill’s handwritten letters. Once done, these will be searchable by key word like “Social Club.”

Do you want to help us spread the word about volunteering? We will be recruiting for a couple more months. People can sign up at the following website: www.steppingstones.org/support/volunteer

Joke of the Day

After the AA meeting, the ghost finally admitted it.

He has a boos problem.

Incoming Chair’s Report

I encourage you all to participate in the members’s survey.

I’d like to thank all the CSO representatives who gave up their Saturday afternoon to share information with the GSB. It was constructive and illuminating from both the getting to know our CS)’s and the people who run them, and the CSO’s getting to meet the Board members, trustees, GSO staff and World Service Delegates. All working collaboratively. It was simply wonderful and brought a smile to my face.

Please be mindful of Zoom bombing as we still hear reports of this occurring and we want to keep our members safe.

See you in Melbourne at the Convention.

Yours in service,
Judy P. (Chair, GSB)

OUR UNIVERSAL FELLOWSHIP

A Newsletter from the World Service Committee

Number 7

The grey cloud of the Coronavirus has its silver lining in AA's discovery of our ability to correspond virtually via the internet. In the past much communication between World Service Delegates was restricted to two yearly intervals between the World Service and AOSM face-to-face meetings themselves. The internet has overcome the tyranny of distance and regular meetings of the various committees associated with World Service and AOSM are now possible.

In our efforts to assist our neighbouring countries, Brian S, Second Term Delegate, presented a two day workshop on the Traditions (on Zoom) for an international group. He also presented a two day workshop over two weeks on the 12 Traditions for members in Hong Kong.

Since this year's AOSM was virtual there was scope for younger (in AA terms) countries, who might have been restricted by finances, to join the meeting. In addition, a virtual AOSM gave us the ability to allow many more "Observers" into the meeting and some Delegates took up this opportunity.

Meetings with former Australian World Service Delegates continue each month with valuable sharing of information. Former Delegates appreciate being kept informed of happenings in the Fellowship and, in turn, their knowledge and experience is advantageous to the present Delegates.

In breaking news, at this year's General Service Conference, Brian F from the North Eastern Region, was elected as our new World Service Delegate to take up office from Brian S at the beginning of next year.
