General Service Conference Highlights

I hope you will all agree that the General Service Conference held in Sydney, November 4 & 5, was a success! We got through the work and explored a real democratic process and feeling of unity in action. I was much impressed by the ability to get under some of the barriers and opinions around the topics to get to the heart of the requests. The issue of inclusion was one theme that has certainly been reinforced. That a decision was turned around after hearing the minority voice speaks to the power in our 12 Concepts.

A hearty congratulations and thank you to the Conference Steering Committee for the work they did between the vote in May and the conference in November to make sure everything was covered. *(They met almost every Thursday Night to get it done)* And to Cheryn & Andrew and the General Service Office Staff, Chris & Patrick for the great work in bringing the conference together. Each of the Conference Committee Chairs should also be commended for bringing solid recommendations to conference and illuminating rationales.

Here is an excerpt from a post conference email from an Area Delegate to the GSB Chair, (reprinted with permission)

"I know it hasn't been the easiest 12 months - for the entire GSB - but I am feeling secure in the knowledge we have a GSB that is balanced, with a variety of views, skills, backgrounds and a desire to serve. I was really impressed with each and every Board member and it was obvious to see that we all worked really well together as an entire Conference - Trustees, Delegates and GSO staff. It takes Leadership to bring that about."

Advisory Actions/Topic Outcomes

There is much to report, but the official results will be issued and printed in AA Around Australia and put up on the Members Website as a stand-alone document very soon! Financial reporting will go directly to delegates and added to shared G-drive each quarter. The full financial statements and the General Service Conference presentations from Fabian & Cheryn have now been uploaded.

'Chat Now' LIVE on the website!

Advisory Action #4/21 has come to fruition after plenty of work by the Damien, Mick, Lachlan & the team. A crew of well-trained volunteers is facilitating direct real-time responses to enquiries via the Chat Now function which is live on the aa.org.au website.

Farewell & THANK YOU!

The tradition of rotation is a double-edged sword, although it is necessary for the health of AA and for that of the individual, it is with some sorrow and much gratitude that we thank these servants of AA as they finish their terms of service!

Cheryn Porter has steered the GSB, the conference & the fellowship through some trying times this year.

Restructuring in the GSO, GSB inventory process and her wise council, hard work and stoic good cheer has been much appreciated.

Greg Byrne has served as World Service Delegate and put in some hard yards and long (late) hours participating on the world stage on our behalf. His reports have been illuminating and contributions at board, invaluable!

Delegates rotating off at the end of this year are

Mick B, Eastern Region, Area A

Tristram E, Eastern Region, Area G

Damien G, Eastern Region, Area H

John S, Eastern Region, Area I

Lisa R, Southern Region, Area D

Many thanks from the General Service Board and the Conference. Each of you have made significant contributions which will be felt for years to come.

Welcome

The appointment of Gabrielle Nicholson as a General Service Trustee and of Andy Poad as 1st term World Service Delegate is official. Both bring a wealth of experience and talent to the board and the General Service structure. Although their terms commence from January, they are both hitting the ground running and we look forward to their input.

Similarly, we welcome the next panel of Area Delegates, usually starting their terms in January.
